# BIKE NIGHT

Mari of BikeMonterey.org will share *bike video clips, resources, and talk bikes.*

**All Youth Center residents are invited.** \*

Be inspired by biking opportunities most people don't know are available. Learn bike laws and safety tips. Learn where to get free or inexpensive bikes, supplies, and support. Whether you may want to bike for fun, transportation, health and fitness, sport, or other reasons...whether you like BMX, fixies, mountain or road bikes, lowriders, beach cruisers, or other bikes...come! Bring your questions, leave your misperceptions. You'll leave more informed than the general public.

**Plus raffle prizes from the community, to support your interest in biking.**
